John R. Rogers High School

Spokane, Washington

Dedication

To the undying efforts of those who made the birth of John R. Rogers possible, to their faith, courage and farsightedness.

To that mighty fighting spirit which has won fame for the Pirate school, to that flourishing spirit of friendliness which is John Rogers.

And to that staunch faithful captain, J. D. Meyer, who has piloted the Pirate ship so successfully through treacherous channels these first ten years, we dedicate this 1942 Treasure Chest.

Alma Mater

In the golden sunset of the Westland None her splendor to deny, Staunch and noble stands our Alma Mater We love thee, Rogers High! In each contest we'll uphold thee, Lift thy banner to the sky.

Laud and honor to our Alma Mater, We sing of Rogers High.

As of old the Red Man bowed to Rogers
As he marched with head held high,
So our foes, whatever the endeavor,
Will bow to Rogers High,
Ever loyal, Alma Mater,
We will shout thy name on high.

When our days within thy walls are ended, And the years fly swiftly by, Backward we shall turn with wistful gaze To the days at Rogers High! Loyal hearts, our strong devotion We will pledge thee till we die.

• Ten years ago the first student council met to change the school nickname from the slinking "Panthers" to the bold brave "Pirates." The school paper was changed from Hillyard Hi Times to Rogers Record, and the school annual from "Paws-and-Claws" to "Treasure Chest."

Although ten years have passed, today's student council still carries on the same as it first did. Student Council advisors are: Mr. Meyer, Miss Finnegan and Mr. Hubbard.

When the Harding Debate Club formed in 1933, the debate team was discussing the World Court question as outlined by President Harding; from this, the name originated. Promoting interest in debate is the purpose of the club. An annual banquet is held to raise funds to send the debate team to distant places. This year the club presented a service flag to the school with blue stars on it representing Rogers' boys who have left Rogers for a branch of the armed service. The star will be changed to a silver one as the boys go overseas and if one is killed in action, the star will be a gold one. Mrs. Iva Morrison is the club advisor.

They take an annual trip to Mt. Spokane besides several other outings. Two trips were taken to Mt. Spokane this year, one was on March I and the other on March I5. Each boy has a Montero shirt which he wears every Tuesday. The meaning of the word "montero" is mountaineer.

The members of the stage crew are very efficient in helping to make the many programs which are presented on the Rogers stage a success. They take care of the props, curtains, and lighting effects, and are always on the job when needed.

As the all-school play, "Our Town," had no scenery, the stage crew had practically nothing to do in comparison to the work involved in the presentation of other plays. Only the intricate lighting effects were taken care of by this crew.

Weeks of preparation for the presentation of "Ever Since Eve" preceded the play. All props had to be elaborately prepared and painted amid the hurry and scurry of the actors practicing their parts.

The sound equipment for the auditorium and the public address system are under the direction of J. L. Purdy, stage crew advisor. The equipment now in use is a public address amplifier, a phonograph and microphone, and a recorder. There are three microphones and four speakers.

• "Our Town" was the thirty-first production of Director J. L. Purdy. The play, portrayed without the help of the scenery, was of excellent quality with exceptionally fine acting. The life, love, and sorrow of two families were given in quickly moving scenes. This three-act drama by Thornton Wilder was given in the Rogers auditorium November 28.

• The Rogers high school choir, under the direction of Blanche Hill Evans, is one of the most active and sought-after musical organizations in the school. It has contributed many times to Spokane music lovers.

Besides performing for school functions, the members sing for church and civic groups.

The choir is composed of students who have had voice training in school. The group is a select one, and only those who are qualified are asked to join. Both boys and girls may become members.

This organization was an outstanding attraction of the "Winter Music Festival" at Rogers. Applause of its performance was loud and long.

In the history of Rogers, this choir has always been outstanding. Every year, another jewel is added to its crown of success, and for the years to come, there is a bright outlook.

• The Girls' Glee club, an important section of the music department at Rogers, is composed only of girls.

These members played an important part in the "Winter Music Festival" presented in February. The numbers they sang were: "The Snow" by Elgar; "Chanson de Marie Antoinette" by Jacobsen-Andrews; and "My Johann" by Greig-Aslanoff.

Girls who have had voice training are eligible for the club, and they must be in the Glee club before they are eligible for the choir.

The Glee club is under the direction of Blanche Hill Evans.

• The Rogers high school orchestra has been an essential organization in the music department since the school was built ten years ago. The music selected by it is usually of the classical or semiclassical type.

Music for the all-school play has also been provided by this organization, and it always is an outstanding part of the concerts at school. Its main participation this year was in the "Winter Music Festival."

From the orchestra, the String Ensemble originated. When the orchestra cannot be engaged to play as a whole at any program, the String Ensemble represents the group.

Mr. Harold Anderson is now the director of this organization. He took over Mr. Glenn B. Starr's place when he left in 1940.

The Rogers high school concert band, under the baton of Harold Anderson, has been one of the most successful and important organizations in the school and has many outstanding performances to its credit. Besides playing throughout the year for pep rallies, it performs at all the football games in the fall, takes part in almost all parades and gives concerts.

This year, the band participated in the "Winter Music Festival," one of the most successful concerts ever produced at Rogers.

The Rogers high school pep band is derived from this organization. It performs at school dances, convocations, and functions held outside the school.

Since the concert band's organization, it has become one of the most popular groups in school. There is no doubt that it is now one of the outstanding high school bands in the Pacific Northwest.

Winter Music Jestival

Choir and Glee Club

• Singing in the "Winter Music Festival" under the direction of Blanche Hill Evans was done by this group in a manner which left members of the audience admitting that it was the best they had ever heard.

he numbers presented were: "Silent Srings" by Bantock-Owen

"The Musical Snuff-Box" by Laidow-MacArthur; and "Roll Chariot" by Cain, the last drawing the greatest applause of the evening.

The presentation of music by this group was one of the most impressive in the history of the choir. Never before has there been such a program, and it will live in the memory of all those who saw it.

Dancing Groups

• "Victory" was the theme of these dancers as they performed at the "Winter Music Festival" program. The dancers showed America at work. Farmerettes swung to "Turkey in the Straw," country girls danced joyfully, sports girls took to the golf course; there were the airline stewardesses, the ballet dancers, and finally the "Victory" girls attired in red, white, and blue marching to "I Am an American."

This part of the program was elaborately planned, with brilliant costumes on the dancers. They showed America in its everyday course, and it turned out to be one of the most successful shows of its kind since Rogers high school was built.

Miss Marion LeFevre and Miss Vivian Hickman were the supervisors and directors of all the dancing portion of the show.

• These high-stepping Pirettes have carried the colors of Rogers almost everywhere in their elaborate marching exhibitions. On the football field every fall, they entertain hundreds at half-time with their formations and clever maneuvers.

The Pirettes were organized nine years ago under Joseph M. Tewinkle. Since that time, they have achieved a name for themselves by their performances.

Myron Ernst is now the director of the Pirettes. At the Merry-go-round game in 1940, they won first place with their stunt. In 1941 they came a close second.

Seldom does a parade go by without the Pirettes "strutting their stuff." They are also vigorous and peppy, and always form a solid rooting section at athletic contests.

These are a few of the outstanding achievements of this group of girls. They help to carry on the spirit and traditions of Rogers.

In the last ten years the Rogers debate team has won approximately two state, three city, and five Northwest district championships. In 1940 the Pirate squad went to the national debate tourney. Mr. Jinnett had been the debate coach until last fall when Mr. Purdy took over the job.

This year the squad won second place trophy at the state tournament at Pullman.

The Season

• In Rogers there is a spirit that never dies. It was brought from old Hillyard High, and for ten years it has pulsated through the veins of every student.

This spirit is even increased two-fold in the hearts of the athletes for theirs is the duty of upholding the honor of this mighty institution

and to keep it flourishing forever.

This feat was accomplished by the Pirates again this year, as in years before. Although not a championship team, it was truly a great squad, who with a few breaks reversed very

easily could have taken top honors.

The Bucs this year were considered the best team Rogers has had since the golden days of Henry Bendele's northwest champions who went to Portland and played the great Washington team, who outweighed them forty pound to the man, off their feet, scoring a touchdown in the first quarter and holding them the remainder of the game. As one can see, it is the fighting blood that typifies all Rogers' teams which is proved by this great squad.

The 41 squad had strains of greatness, at times outplaying every team in the city, but did not have the scoring punch needed the last half of the round-robin until the last game of the season, the Shrine game with Lewis and Clark.

The Bucs were not to be denied that afternoon, and everytime the Tigers scored, Rogers came back one better. L. C. could have played the best game of their lives and would still have lost because they were playing against an inspired bunch of players who were not going to lose. This game gave Rogers a tie for second place.

May this spirit and inspiration go on for ten more years, and ten after that, on till infinity.

Merry-Go-Round

The Rogers Pirates were narrowly nosed out by the Gonzaga Bullpups 7 to 6 in Spokane's Annual Merry-Go-Round game. By trimming Lewis and Clark 7 to 0 in the first period, the Bucs were able to compete with the Gonzaga Bullpups in the final quarter.

PAGE NINETY-FOUR

Rogers 26, Kalispel 13

On September 13, the Rogers Pirates invaded the Kalispel stronghold and returned victorious. 26 to 13. The Indians scored early in the contest but the Pirates were not to be denied and came roaring back to score four times and win.

Rogers 13, Clarkston 0

On September 20, the Pirate gridsters traveled to Lewiston, Idaho to play Clarkston High and emerged victorious 13 to 0. The Bucs opened up a powerful air and ground attack in the second and fourth quarters to score both touchdowns.

Rogers 6, Lewis and Clark 0

In the first city league game the Pirates downed the Lewis and Clark Tigers 6 to 0. Although definitely outplayed by their heavier opponents the Bucs played a heads up type of ball. Jim Kelly, Rogers' all-city tackle, set up the line score by intercepting a Tiger pass.

Rogers 7, Gonzaga 7

The fighting Rogers Pirates upset the dopesters predictions by battling the Gonzaga Bullpups to a 7 to 7 standstill in their first encounter. Although the Bullpups scored first, the Pirates came charging back to score and outplay their opponents in every department.

Rogers 0, Gonzaga 27

Starting with a lucky break on the opening kickoff of the game the Gonzaga Bullpups soundly outscored Rogers on the Pirate field 27 to 0. After the Bullpups, surprising score the Pirate team couldn't get rolling and was never a serious threat.

Rogers 14, North Central 24

The North Central Indians scuttled the Pirare football machine 24 to 14 on the Indians' battle-field. Rogers couldn't seem to stop the Indians and they scored at will. The Bucs' 15 pass completions out of 30 attempts was a highlight of the tilt.

Rogers 19, Lewis and Clark 13

Once again the Pirates went into the Lewis and Clark game which incidently was the Shrine tilt, an underdog, and came out with a 19 to 13 victory, upsetting the dopesters' predictions.

Rogers completely outplayed the boys from the Southside.

Basketball

● For the first time in the city league history Rogers played five opponents instead of three. This came about because of the addition of Central and West Valley to the schedule. The second and third place teams played in a playoff with Walla Walla and Wenatchee to determine who would go to the state tournament.

The Pirates, not showing up to expectations, had a fairly successful season ending up in a tie for third place with Central Valley and Gonzaga. This resulted from an upset that the Bucs scored on C. V. in the last game of the league season. They lost, however, to the "farmer boys" in the playoff of the tie.

Rogers led all the schools in the pre-game season, having six wins and four losses. The boys were an "off and on" club, playing brilliantly one game, and looking poor in the next.

They lost three games practically in succession by two points, one point and one point respectively. They were nosed out by C. V. who put on a stall successfully to defend their lead. L. C. had to go in to overtime to win one point after Bill Sweet tied it up with a free throw. N. C. had their win handed to them practically by the officials who called a very questionable foul on Hal Rusch, after Hal Akins scored a basket with five seconds remaining in the game.

Another thriller was the last Gonzaga game, which the Pirates won with a long shot by Rich Shulkin with seconds remaining.

Bad luck dogged the Bucs all season, for they could not seem to hit their shots successfully. However, all in all, it was a good season.

First row: Wimpy (Manager), Shay (Manager), Akins, Sweet, Shulkin, Shaw, Ludwig: Second row: Rusch, Assistant Coach Ellingsen, Baker, Adams, Johnson, Arthur, Franklin, Harris (Manager), Lenman, Coach Mooberry, Brown.

Track

City Champions

• After five long years, Rogers won the city track championship, by defeating the Gonzaga Bulldogs, 53 to 51, in one of the most hotly contested meets in a decade.

Quite a few Pirates pulled the unexpected to save the meet for Rogers, such as Gene Towne who won the high hurdles, Wayne Hendren who jumped three inches higher than he ever had before in his life, to tie for second, and Andy Berg, behemoth sophomore, who won the shot put by pushing the iron ball out a foot beyond his expected limit.

This year's team may be considered the best or next best in school history. It was well balanced, having power in practically every event.

In 1937 the Bucs became champs by defeating N. C. by an identical score of 53 to 51. That's a queer coincidence, isn't it? The squad of '37 sent a goodly number of men to the state meet as did this year's team, all of whom performed quite capably.

Other Meets

In the other two city meets, L. C. and N. C., were very soundly trounced 72 to 32 and 76 to 28 respectively.

PAGE NINETY-EIGHT

After the shotput, the Tigers didn't stand a ghost of a chance, for the Bucs had too much power. The Indians were actually ahead at one time during the afternoon 24 to 21, but the Pirates came back strongly, far too strong for last year's champs and rolled them into submission, taking almost every place.

These victories were all brought about by the combined efforts of the whole team and Coach Jack Mooberry and Paul MacGown. Seasoned veterans performing for the last time were: Olav Gravbrot, high hurdles and high jump; Ray Ayers, low hurdles; Del Turner and Del Waymire, mile; Don Ericson, Ken Schneidmiller, middle distances; Hal Rusch, 440 and broad jump; Gene Town and Les McClelland, pole vaulters; and Hal Akins, sprints and broadjump.

Two sophomores who will set the city on its ears in future years are Henry Burnette, sprinter, and Larry Martin, quarter miler.

Another standout is Herb Harlow, powerful hitting outfielder who in his spare time high jumps and broadjumps as well as anyone in the city.

First row: Shuikin, Kelly, Hawke, Trudeau, Cobb, Lukaszeski, Howard, Harlow, Fyett, Second row: Dauncy, Gray, Pederson, Simonson, Benhani, Regan, Mortlock, Hagman, Bobo, Coach Black, Duke, Third row: Mossuto, Cutler, D. Fleca, Allen, Brown, Lobdell, Arthur, Dalzell, Owen, Fourth row: Tortorelli, Jones, Ludwig, Lemman, Cutler, Mead, Haskin, Johnstone, Marler, Haworth, Fifth row: Fluitt, Miacolo, Gregerson, Sweo, Harris, Stoddard, Lewis, Nesbitt, Tomilinson,

Baseball

• With the return of nine lettermen, Rogers baseball squad looked forward to a successful season. A squad of more than 40 boys turned out with the first call for practice. The team played pre-season games with West Valley, Coeur d'Alene, and Lewiston.

Rich Shulkin and Big Jim Kelly started their third season as pitcher and catcher for the Pirate nine. In addition to Shulkin, Coach Wayne Black has pitchers Casey Jones and Wes Regan, both returning lettermen who saw action in the city series last year. Infielders Ludwig, Cobb, Hawke, and Marier and outfielders Trudeau, Harlow, and Lukaszeski complete the starting nine.

Rogers 8, L. C. 4

The first city game was played with the Lewis and Clark Tigers at Hart Field. Cobb, the lead-off man for Rogers got the first hit of the game,

a double over the second base. After big innings, the Pirates had a comfortable eight-to-one lead. Jones relieved Shulkin in the first of the sixth inning and the game ended eight to four.

Rogers 7, N. C. 6

The North Central Indians met the Rogers Pirates on the Bucs' home field in the second game of the city series. Jones was on the mound for Rogers. After taking a six-run lead, the Pirates were able to stave off a last inning drive and win, seven to six.

Gonzaga 3, Rogers 1

The highly rated Gonzaga Bullpups invaded the Pirate camp for the third game. Shulkin was the mainstay for the Rogers squad, allowing seven hits and blasting the only hit off Carbaugh over the right field fence. Three errors by the Rogers' infield gave Gonzaga three runs and the game ended three to one.

Tennis

The John Rogers tennis team for 1942 was the best ever. Four lettermen returned: Don Lancaster, Bob Lemman, Jim Weller, and Noble Valsvig. With the addition of Bill Adams, a letterman from Davenport, Washington, an experienced quintet was rounded out.

The team swept through the first three matches without defeat and established something of a record when they blanked Central Valley 16 to 0. Lancaster and Adams form a strong doubles team and they are forced to the limit to defeat the Weller-Lemman combination.

Prologue to the Next Ten Years

So we have come to the end of John R. Rogers High School's first ten years of existence, of service, and progress. Instead of gazing forever backward let us look to the next ten years of our school's life.

May it be a decade of beauteous fulfillment, rich with the joy of service—may it progress even more—may its name—John R. Rogers, be sung on the lips of hundreds. May this name never be tarnished with unworthy deeds or selfish ones. John R. Rogers, ever onward, onward to the sky, onward to the heights of glory, onward ever, never die.

Pat Forrester: "Why?"

Lorraine: "Because this book says, 'Having lithis pipe, he sat down on his chest."

The wilderness was here.
A man with powder in his horn
Went out to hunt a deer.
